PROFILE

An agile full-stack web developer who crafts beautiful, responsive, appealing websites and Web Applications that increase your online traction and helps your business grow.

PROJECTS EXECUTED

WEB DESIGN & DEVELOPMENT

Multiple Organizations, Multiple Location | 2018 - Present

Assist NG investment LTD Abuja- (2020 to 2021):

Worked with a fin-Tech team to develop a web platform that gives quick credit to small businesses and low-income earners.

- **Web Development:** Assist needed a website where users can get more information about the services, and also make and inquiries.
- The website featured a loan payback calculator and a dashboard sign up for the staff only, connected to the database and the mobile App through APIs calls.
- **Tools Used:** *ReactJS, TailwindCSS, Node.js, React-Redux Figma.*

Rainbow Digital Technology LTD. Kano- (2020)

- **Website Design:** *Rainbow Tech* needed a new website that will detail all their business offerings and makes it easier for customers to easily access consultation online.
- I conducted user interviews to understand what their current users would like to see in the new site and influence the design. The current project end result will be a sleek design showcasing Rainbow Tech products built-in WordPress according to the company's request.
- **Tools Used:** *WordPress, Adobe Illustrators*

Arewa WiFi Kano- (2019 to 2020):

Arewa WiFi is a startup with the mission to create a platform for users to share their hotspots and WiFi in return for cash.

- **Web Development Team Lead:** Worked with the team to come up with a scalable onboarding solution using a mobile-first standpoint to a mid-fidelity level

CHIBUIKEM KELVIN OZOCHIGBATA

WEB DEVELOPER

VOLUNTARY ACTIVITIES

National Identity Management Commission (Jan 2020): | Role: IT Officer

I am one of the lead IT volunteer on the ongoing national identity management project under Ninito company limited in Kano State.

Yali Network Kano (2019 till date) | Role: Member

I am an active member of the Yali network Kano State since 2019, and I have been part of Yali programs.

Skill Up Week Ng (2019 till date) | Role: Project Supervisor

I am a co-founder and was the project Volunteer supervisor of Skill up week during the first and second editions.

Minimal Viable Product (MVP) Masterclass (2020) | Role: Facilitator

I volunteered as the lead webmaster, to train participants on the importance of website and online presence for startups and existing businesses in Africa.

Money Mastery Masterclass (May 2020): | Role: Facilitator

As a panellist, I lectured the participants on the funding options for start-ups and small businesses. As an entrepreneur, I have raised over 10 million Naira in pre-seed funding for business.

Strategy and Innovation for Development Initiative Kano Chapter (March 2020) | Role: Volunteer

I volunteered in the SI4DEV project, as we gifted school children with study materials, like books, pens, backpacks, and school uniforms.

BUK TEDx Event (March 2020) | Role: Partner/Organizer

I was part of the organizers of the TEDx Kano.

Design Masterclass (Feb 2020) | Role: Facilitator

I was the lead webmaster on the project to train participants on website design and development as a sustainable skill for the future.

- The website featured a profit calculator for users to easily calculate their profit in real-time plus a connection to the database and the mobile App through APIs calls.
- *Tools Used: HTML, Bootstrap CSS, JQuery, JavaScript, Adobe Illustrator*

Arewa Kasuwa Kano- (2020):

Arewa Kasuwa is an E-commerce platform for users to buy food products and get them delivered to their homes.

- **Web Development Team Lead:** Worked with the team to come up with a cool responsive website.
- The website featured a vendor dashboard, a product page, add to cart page, a checkout page and a payment gateway. Designed with WordPress according to the client's demand.
- *Tools Used: WordPress, WooCommerce, Adobe Illustrator*

KopasAid Enterprises Kano- (2018):

KopasAid is a platform that offered financial assistance to NYSC members in Kano.

- **Website Design:** Worked with the team to come up with a responsive website that featured loan disbursement, user sign up a dashboard using a mobile-first standpoint
- *Tools Used: HTML, Bootstrap CSS, JQuery, JavaScript, Adobe Illustrator*

RELEVANT WORK EXPERIENCE

Arewa Technology Hub | Role: Co-founder and COO

Kano 2018 - Present: Co-founded the Hub December 2018 with a mission to create technology-based solutions for startups and small businesses in our community, having identified the technology gap in the way businesses are developed and conducted in most northern states in Nigeria when compared with states like Lagos, and other advanced countries in the world. Today, my team and I are proud to have grown the Hub to become a household name in the state, with several achievements, partnerships and recognition from reputable organizations including the Nigeria Communications Commission NCC and Forbes-2020-Digital-Startup-Accelerator. Currently, we have trained countless business owners through Free masterclasses.

Rainbow Digital Technology LTD | Role: IT Consultant

Kano 2020: I started in this position as an IT consultant with the sole responsibility to mobilize, assemble devices, form and lead the ICT department of the company in carrying out the National Identity Number NIN enrollment of the NIMC Ecosystem project. So far I lead a team of 18 hardworking people working with me in 8 enrollment centers across Kano state. This position came with lots of challenges, as well as management experiences because we had to deal with too many people and endless government bureaucracy. Managing this project has taught me to be more tolerant and patient with people.

Cyber Security Masterclass (Jan 2020): | Role: Facilitator

I was one of the facilitators of the project, and I trained the participants on how to be safe online and how to secure their websites from penitential hackers.

Skill Acquisition and Entrepreneurship Development NYSC Kano (Nov 2018-2020):

| Role: Facilitator

I was a facilitator with NYSC Kano state ICT skill acquisition and entrepreneurship development. For two years, I trained corps members on ICT for both in-camp and post-camp sessions.

Google Digital Skills for Africa, Mind the Gap SDGs (Kano 2018-2019): | Role: Assistant Lead Trainer

I was a support trainer for google digital skills for Africa under mind the gap SDGs.

National Youth Development and ICT (Kano 2018): | Role: Trainer

I volunteered with the community development service special team of NYSC, to teach secondary school students the basics of computer and digital skills in the Kano Municipal council.

AWARDS AND HONORS

Yali Network (2021): For the completion of Fundamentals of Responsible Leadership for Entrepreneurs.

Yali Network Kano State (2021): Presented to me by the Young African leaders initiative, Kano state network for contributing to the success of youth drug abuse prevention in northern Nigeria.

Master-card Foundation & EDC (Pan African University) (2020): For reaching the Top 5 startup in Northwest AgroHack competition

Forbes 8 & GSE (2020): Digital Startup Acceleration Program
Nigeria Summit. Top 200 Startup Cohort 1

Nigerian Communication Commission (2019): Top 25 Tech Hub in Emerging Technologies Competition & Exhibition.

National Association of Psychology Students (NAPS) Nnamdi Azikiwe University (2018): A Distinguished Award of Excellence for Visionary Leadership Style.

KOPASAIID ENTERPRISES | Role: Co-Founder & CTO

Kano 2018 - 2019: During my time as a Volunteer Skill Acquisition and Entrepreneurship Development facilitator (SAED ICT Trainer) with the National Youth Service Corps in Kano State, I developed the KopasAid platform to help corps members in the state access small financial aid with no interest. This is due to the financial difficulties I experienced during NYSC days, so I understand the financial challenges corps members go through every day. The allowance that time was 19,800 Naira, so I knew I had to provide a solution. By the time I left the program, KopasAid has provided financial support to 175 corps members in the State.
